ADDITIONAL INFORMATION

Before Session

You can contact us through phone or e-mail to discuss details of your photo shoot, or simply meet with us in our studio in the City Centre of Glasgow. Then we can get to know you better and understand your needs. You will also have a chance to see our product range and decide. The standard portrait/model session last 3-4 hours. If you would like to hire us for different hours or you have other needs please contact us. We usually charge **£50** for an extra hour of our work during portrait shoot.

Payments

Full payment has to be made before the session or during the session. Payments can be made by transfer to our bank a/c (details in the agreement), cheque or cash. Additional products can be purchased after the session through our company or using our on-line shop.

During Session

Working in a relaxed way we are open to your ideas. We are always trying to be flexible to fit your needs.

After Session

We will have your private, password protected gallery of images ready for you to view on our website within about 7 working days. The image gallery serves as proofs and electronic contact sheets, from which you select the photos that you like best. You can also choose your favorite photos for printing. The final product

Retouch

All the photographs will be carefully digitally retouched. We always shoot in colour so you will be able to decide if you like to get specific picture in colour, black&white or sepia.

Additional Products

You will also be able to order additional prints, frames, albums and other products through on-line shop using credit card, cheque or PayPal. Some of the additional products with prices are listed below.

* Slideshow animation on DVD with all your photos together with music to play it on your tv or computer - **£30**
